This home is located in the heart of Pryor. This property does not lack living space! From the formal dining room off the entry way, to the large kitchen with an abundant amount of counter space and cabinetry to the extra large den with built-ins all around and even a large storage closet. This is not all; the master suite has a full bath and beds two and three shares the hall bath. The grand living room offers a wood fireplace, great spot to cuddle up by while enjoying hot cocoa. Off this room is an enclosed sun room, perfect place to store your plants in the winter months or utilize as an office, etc. Need a 4th bedroom? There is another room that has a walk in closet which can be used as a 4th bed. Large pantry in the oversized laundry room. The garage will accommodate two vehicles easily. Want a shop w/electric? This is well worth looking at. You cant store a car in it, but you can definitely place a lot of goodies in it, have a wood shop or hide out in your man/woman cave. Like privacy and grilling out? The back yard offers the privacy and the covered back porch will be ideal for the cook outs. Shopping in near by, Lincoln Elementary School is within 2 blocks and one of the worlds largest Industrial Parks is within 5 minutes. The Industrial Park houses multiple large companies including Google and Canon. With a little elbow grease, updated flooring and love this can be the PERFECT home for YOU! Home being sold as is.
